**ISSUE: ABORTION- Jesus and Holy Scripture versus the State of Vermont**

**It is written: “For you created my inmost being; you knit me together in my mother’s womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. My frame was not hidden from you when I was made in the secret place, when I was woven together in the depths of the earth.” -Psalm 139:13-15**

**“I knew you before I formed you in your mother’s womb.” -Jeremiah 1:5a**

**ACCUSATION: The State of Vermont assists in the murder of God’s precious children. The underlying issue starts with sexual sins. e.g. promiscuous sex for which the State of Vermont approves.**

**Abortion is legal in Vermont with no restrictions — at any stage of pregnancy for any reason, no required safety standards, and may be performed by non-physicians. -Vermont Right to Life Committee**

Planned Parenthood of Vermont is responsible for nearly all abortions in Vermont: aborted 1,451 babies in 2005, almost 90% of all abortions.

Eighty-nine second-trimester abortions, (between the 13th and 27th week of pregnancy) were performed in 2005.

In 2005, there were 1,620 babies aborted, compared to 6,475 babies born. That means one baby is aborted for every four babies born in Vermont.

**In 2001, the State of Vermont paid for 366 abortions with taxpayer dollars.** At an average cost of \$357, the cost to taxpayers that year was \$130,672.00.

It is legal to perform abortions on girls under the age of 18 without parental knowledge or consent. In 2005, 115 minor girls had abortions in Vermont.
