

HOLY NATION

(A) PREAMBLE: The following spiritual brief is a critical historical review concerning the function of lawful government in society. i.e. government de jure versus government de facto. It is imperative that all mature authorities and citizens alike take seriously the perils upon the Land.

ACCUSATION: The entity State of Vermont (artificial persons*) has habitually crossed eternal Biblical foundations and teachings of Christ Jesus. The great peril of the State and its negative and secular influence upon Vermont's inhabitants must cease in the name of the risen Savior Christ Jesus.

***artificial persons-** Persons created and devised by human laws for the purposes of society and government as distinguished from natural persons. Corporations are examples of artificial persons.

"The state must recognize that a fundamental system of values based on Christianity is the precondition for its existence." – Church, Ecumenism, & Politics, Joseph Ratzinger, Pope Benedict XVI © 2008

Christ Jesus is LORD above the entity State of Vermont. It is written: "For no one can lay any foundation other than the one already laid, which is Jesus Christ." –1 Corinthians 3:11. "Christ Jesus is the same yesterday, and today and forever. (Hebrews 13:8) Jesus Christ is Lord of Lord and King of Kings. (Revelation 19:16)

"No free government now exists in the world, unless where Christianity is acknowledged, and is the religion of the country." -Pennsylvania Supreme Court, 1824. Updegraph v. Commonwealth; 11 Serg. & R. 393, 406 (Sup. Ct. Penn. 1824)
